
- To develop connections between Shipper/Brokers and Carriers.
- Need a modern online global freight platform.

Reference websites and videos.

14. Language file for future easy-translation.
15. Needed to be English, Turkish, Russian, German, Ukrainian, Persian, Arabic, Georgian, Bulgarian, Italian, Dutch and some other languages. (NOT Google Translate!!)
16. Admin Panel
17. iOS and Android APPS

PLEASE DO NOT HESITATE IF YOU HAVE ANY QUESTION!

Looking for the lowest offer with the best service!

Upcoming 3 other projects need business for the long term!

Please DO NOT offer if you cannot build it!

THANK YOU!
